INTERNSHIP EXPERIENCE

FULLSTACKANDCLOUDHOSTINGINTERN | 2024

Futurik Technologies

- I completed a three-month internship at Futurik Technologies, where I gained practical experience in full stack web development and cloud hosting.
- I also learned the basics of cloud hosting and deployed my project online.

WEB TECHNOLOGY AND E-PUBLISHING INTERN | 2024

D C I Technologies

- Gained hands-on experience in creating and editing web pages and digital publications for online platforms.
- Worked on structuring web content for better readability and accessibility, following e-publishing standards.

JAVA FULL STACK DEVELOPER INTERN | 2025

Tap Academy

- Strengthened programming fundamentals through hands-on practice in object-oriented concepts, problem solving. Worked with MySQL for database design, writing queries, and
- integrating with Java-based applications.

MY PROJECTS

• FINAL YEAR PROJECT (BLOCK CHAIN)

Blockchain technology offers a secure and transparent way to authenticate products and combat counterfeiting. This helps prevent counterfeit products from entering the supply chain.

• WEBSITE DEVELOPMENT

Designed and developed a fully responsive website for a catering service, incorporating modern design principles, enhanced user experience, and optimized performance across all devices.

SKILL CERTIFICATIONS

- Full Stack and Cloud Hosting - Futurik Technologies
- Web Technology and E-Publishing - D C I Technologies

DEVELOPMENT SKILLS

- **Programming Languages** : Java
- **Web Development** : HTML , CSS , JavaScript
- **Database** : MySQL
- **Supporting Technologies** : Git , VS Code , Eclipse , Excel

KEY STRENGTHS

- Problem-Solving Skills Mentorship and
- Knowledge Sharing Strong
- Communication Continuous Learning &
- Growth Mindset Team Collaboration
